

INT. CAR - LATE AFTERNOON

A group of friends are packed up in an old station wagon for a weekend long camping trip. Fishing gear, a couple of tents, a hammock, and food for the 5 friends occupy the car with them.

Kacey, 25, is that one annoying jock from high school who everyone hated. He was beaten by his dad at home so succeeding in sports was the world to him and loved putting anyone else down he needed to make that happen. Kacey is driving.

KACEY

Dude, I'm so psyched! We're so close!

Mariel, 22, but looks 28, is a busty ex-cheerleader. She is perpetually high of not so socially acceptable drugs which fuels her aggressive, no fucks given attitude.

MARIEL

Baby I know... I can't wait to take a load off while you...

Robbie, freshly 21, is a lonely awkward guy.

ROBBIE

Whoa whoa whoa let's take a chill pill. I came to catch the fish not sleep with them after I off myself from this... whatever you wanna call it.

James, 24, is a stereotypical, african american football player who acts like he is just as mean as Kacey but one on one truly cares for others.

JAMES

Don't even start man you know what you signed up for. You rode my ass for a week about this.

Deborah, 23, has a very manly physique, but the curves to make any man weak.

DEBORAH

And now its my turn to ride-

Robbie cranks the music to drown out Deborah.

KACEY

Doesn't matter how loud the music is, they're gonna hear us a mile away this weekend!

Robbie buries his head between his knees.

JAMES

That's the spirit! Limber up!

The crew laughs at Robbie's annoyance.

EXT. WOODS - DUSK - SOON AFTER

The car pulls into the campsite surrounded on all sides by thick brush and trees. The path behind them closed off from view by sharp curves through the woods. They all escape the car, beginning to unpack and set up camp.

KACEY

James, you got tent duty.

JAMES

Aye aye capn'

KACEY

Mary, Debby, you two make your way to the lake and out of those clothes.

Mariel and Deborah wink as they seductively pass by the Kacey and James, giving Robbie a peck on the cheek before losing their tops as they disappear into the woods.

KACEY (CONT'D)

And Robbie... You just uh, you find some wood that's not already pitching a tent.

James and Kacey fist bump laughing at Robbie's expense. Robbie walks off into the woods, grumbling to himself.

EXT. LAKE - MINUTES LATER

Mariel and Deborah arrive at the lake, shirts nowhere in sight. The two throw aside their shorts that were barely covering anything anyways and venture into the water, sporting only undergarments.

They splash each other with water back and forth and have a short chuckle between friends.

MARIEL

I hope they don't take too long.

DEBORAH

If they do I might be finished before they-

The girls jump when they hear screams off in the distance.

MARIEL
What was that???

DEBORAH
Aren't the guys over there?!

The two jump back out of the lake, ignoring their clothes, and run back towards the camp.

EXT. WOODS - MANY MINUTES AFTER ROBBIE LEFT

Robbie is walking through the woods, out of earshot of the camp. Hitting things with a flexible branch he acquired, he looks for suitable material for the fire, being lazy and overlooking branches to waste time.

As Robbie walks further into the woods, he realizes he's just made a big circle around the lake to the opposite side of the lake where Mariel and Deborah had been. The two girls have already left to run back to the camp at this point.

EXT. OTHER SIDE OF LAKE - CONT.

ROBBIE

Oh shit, Mars and Debby should be here.

Robbie looks around for the girls while making his way back to the other side of the lake.

EXT. LAKE - CONT.

As he approaches, he picks up a pair of shorts left by one of the girls, looking around for its owner.

ROBBIE
Debby? Mars? Did you drop
something?

Seeing nothing except the other pair of shorts, which he collects, Robbie wanders around.

ROBBIE (CONT'D)
So no lake? Or did the guys bust
so quick y'all are already in bed?

Chuckling to himself, Robbie turns his attention back to the woods as he hears a soft rustling in the distance between himself and the camp.

ROBBIE (CONT'D)

Oh I get it. You guys have been waiting for me to start this party right? Well too bad that I'm saving myself. For who you ask? Why none other than Jenny. Yes, Walgreen's Jenny.
focus shifts from robbie to the perspective of the bushes.

Continuing with is rant, Robbie begins to trail off when the source of the noise emerges from the brush.

ROBBIE (CONT'D)

Now she may be engaged but that didn't stop you did it Debby so why should it stop... me...

Emerging from the bushes, staring down at Robbie as it rises to full height, a Wendigo shares unbreaking eye contact with Robbie.
